

Bags Tournament

On March 6, High School Student Council hosted a bags tournament to raise money for the **Leukemia and Lymphoma Society**. There were 20 teams registered. The tournament went well and we will be sending our donation of \$550.00. Locals Joe Clark and his brother Jimmy Clark won second place and gladly donated the money back to the charity. Students at L-W had a great time and Student Council has ordered their own bags sets for students to use in P.E and for possible future tournaments. A big thanks to all who participated!

GOT MONITORS?

Are you tripping over your used computer monitors in your basement, garage, or attic? If so and they are in working condition, you can donate them to the school. Please bring them to the school at any time. If you have any questions, feel free to contact Kim Krohn at 248-7521.
