Parker Dietrich, Superintendent

### **School Closing Information Due to Weather**

The winter season is fast approaching. If the start of school needs to be delayed an hour, called off for the day, or dismissed early due to changing weather conditions, the following TV, radio station, and internet sites will be contacted with the information:

Radio: WMBD AM 1470

TV      WEEK 25  
          WHOI 19  
          WMBD 31

Internet: [www.centralillinoisnewscenter.com](http://www.centralillinoisnewscenter.com)  
[www.ciproud.com](http://www.ciproud.com)

If the **start of school is delayed one hour**, the starting time will be 9:00 AM. Busses will run approximately **one hour** later than normal. If the weather is very bad, a decision to cancel school for the day will be made by 6:40 A.M.

School busses may arrive a little later than their regular pick up time due to road conditions during the winter months.

When weather conditions change during the school day school may have to be dismissed early to get students home safely. On early dismissal days due to weather there will be **no After School Program**.

**Plan ahead and make arrangements** on what you will do with your children if the start of school is delayed, called off for the day, or has to be dismissed early due to changing weather conditions.
