## Input to the Board of Education

The District seeks to enhance its communication with those persons wishing to address the school board. Accordingly, the school board designates a segment during each board meeting to recognize visitors and to provide them an opportunity to address the Board. In general, the Board will listen to the presenter and if necessary, ask the administration to review the information presented and report to the Board at a future meeting, if further discussion is needed.

### Board Members—

Charles Kennell—President  
Todd Aman—Vice-President  
Marge Spangler—Secretary
