

9/26/11

Dear parents/guardians;

I hope the beginning of the year has started off well for everyone. We still have some students who have not met the State of Illinois requirements for physicals, dental exams, and/or eye exams. I have been sending letters home to the parents of these students. Please respond promptly. You may contact me on Mondays or Thursdays between 8:00 a.m. and 3:00 p.m. with any questions.

Miles of Smiles will be coming again this winter. We do not have a date set at this time, but it will be posted when it is determined. It will be either at the end of December or the beginning of January. Consent forms have been sent home with your children. Please fill them out and return them as soon as possible if you are planning to use this service. The consent forms must be mailed back for them to determine the date of service. If you would like your child to use this service and have not seen a consent form to fill out, please notify me and I can send another one home with your child.

I encourage all of you to take the opportunity to talk with your children about getting plenty of rest, eating healthy and drinking plenty of fluids. I also encourage you to discuss good hand hygiene and cough etiquette to help prevent the spread of germs. If we can teach our children this, we can keep them healthy and in class.

Sincerely,  
Elizabeth White, RN
